

Concord/Lincoln Route 2/Crosby's Corner Reconstruction Two Week Look Ahead Schedule

Construction Period: January 14, 2014 to January 24, 2014

Daily Right Lane Closures Eastbound and Westbound will be deployed in work zones along Route 2.

Typical Hours for Lane Closures - Eastbound: 9:30 AM - 5:30 PM; Westbound: 7:00 AM - 2:30 PM.

All scheduled work could be extended or delayed due to inclement weather.

• Night Work:

Night Work is scheduled for this two week period. Work includes sawcutting pavement and installing a gas main across Route 2 at the Crosby's Corner Intersection. For night time operations there will be single lane closures eastbound and westbound between the hours of 8:00 PM to 6:00 AM.

• Day Work:

Eastbound:

- > Continue construction of Stormwater wetland at open area just prior to Crosby's Corner.
- Continue construction of Retaining Wall # 11 located between Sandy Pond Road and Crosby's Corner.
- Gas company will continue installation of new Gas transmission line at Crosby Corner intersection (night work)

Westbound:

- Verizon and Comcast will continue removal of cables from existing utility poles in the vicinity of Brooks Road.
- Trucks will be hauling rocks off site from the area between Brooks Road and #40 Cambridge Turnpike.
- Removal of subsurface ledge by controlled detonation at area between Brooks Road and Crosby's Corner. Controlled detonations will take place between the hours of 10:00 AM and 2:00 PM and rolling roadblocks will be in effect during the detonation. Three loud horn blasts indicates controlled detonation will occur in 5 minutes. Two loud horn blasts indicates controlled detonation will occur in 1 minute. One loud horn blast indicates controlled detonation has already occurred and all is clear.
- Begin installation of Water Main along the proposed service road from Brooks Road to #34 Cambridge Turnpike.
- Begin installation of Drainage pipe from Detention basin adjacent to Crosby's Corner to #34 Cambridge Turnpike.

Bedford Road:

No work scheduled at this location.

Sandy Pond Road:

No work scheduled at this location.
